DECISION OF THE MOTOR DEALER CUSTOMER COMPENSATION FUND BOARD

By way of written submissions.

[1] On February 6, 2019, the claim for compensation from the Motor Dealer Customer Compensation Fund (the "Fund") filed by Ivanco Keremelevski (the "claimant") was presented to the Motor Dealer Customer Compensation Fund Board (the "Board") for hearing.

Decision

[2] This claim has been denied.

Claim summary

[3] This claim is for \$27,500.00 and is based on the transaction between the claimant and Lucky Eight Enterprises Ltd. *dba* Lucky 8 Auto (the "Lucky 8 Auto"), in which on November 22, 2016 the claimant purchased a 2010 Volkswagen Tiguan (the "Volkswagen").

[4] The claim is based on the alleged misrepresentation of the Volkswagen by Lucky 8 Auto, breach of contract by Lucky 8 Auto and failure by Lucky 8 Auto to return all money received from the claimant.

[5] The claimant's allegations are that Lucky 8 Auto failed to abide by the federal, provincial & municipal laws, the Dealer & New Dealer Act, the Sales of Goods & Services Act, the Business Practices & Consumer Protection Act ("*BPCPA*"), and many other rules and regulations.

[6] The claimant alleges that due to the breach of contract by Lucky 8 Auto, the claimant exercised the right under the *BPCPA* and cancelled the contract within a year. Lucky 8 Auto failed to return to the claimant the money received from the claimant with respect to the subject transaction, plus all car payments.

[7] The claimant's allegations also are that Lucky 8 Auto failed to maintain the standards set in *BPCPA*; failed to disclose material facts; acted recklessly and negligently; intentionally ignored the duty of care and trust; failed to meet customer requirements; and used excessive pricing which resulted in unjust enrichment for Lucky 8 Auto and caused financial distress to the claimant, who is a disabled person.

Legislative authority and the Board's findings

[8] In assessing the eligibility of the claim, the Board found that since the transaction date to which the claim relates is prior to January 1, 2018, the initial eligibility criteria stipulated in the *Motor Dealer Act* (the "MDA") and *Motor Dealer Customer Compensation Fund Regulation* (the "Regulation") in effect prior to January 1, 2018, must be applied. The Board established that the claim met the initial eligibility criteria:

1. the claim application had been filed within 2 years of the refusal or failure of the motor dealer to pay the amount claimed;
2. the applicant is an individual;
3. the applicant purchased the motor vehicle in a transaction with a licensed motor dealer; and
4. the motor vehicle was used primarily for personal and not business purposes.

[9] In reviewing the eligibility of the claimant's alleged loss, the Board applied Section 5.1 of the *Regulation* which outlines the losses eligible for compensation from the Fund. Pursuant to Section 5(1)(a), only liquidated amounts are compensable in relation to the purchase of a vehicle. In addition, Section 7(a) of the *Regulation* stipulates that a claim based on cost, quality or value of a motor vehicle received is not eligible for compensation from the Fund.

[10] The Board reviewed the documents on file, copies of which were provided to the claimant and to the motor dealer at the pre-hearing stage and to which both parties had an opportunity to respond. The documents under review included:

1. the claim application,
2. the Investigation Report by the Vehicle Sales Authority of BC (the "VSA") Compliance Officer,
3. the Eligibility Determination by the VSA Claims Manager,
4. the claimant's request for hearing by the Board, and
5. the Addendum to the Investigation Report by the VSA Compliance Officer.

[11] The Board found that:

1. the claimant's allegations of the misrepresentation of the vehicle by the motor dealer are unsupported by the evidence;
2. the loss claimed is for an unliquidated amount and relates to the cost, quality and value of the motor vehicle received by the claimant from the motor dealer; and
3. the Board has no jurisdiction to assess the claimant's damages due to the alleged failure by Lucky 8 Auto to abide by the federal, provincial & municipal laws quoted by the claimant, including the *Sale of Goods Act* and the *BPCPA*.

[12] Therefore, the claim is not eligible for compensation from the Fund and is denied.

[13] The Board has jurisdiction to assess claims which fall within the specific terms of the *Regulation* only. Claimants may have other legal remedies available to them and are encouraged to do their own investigations into, or speak with a lawyer about, other possible remedies. Attached is the VSA Fact Sheet *Where to go for help*.

Investigation cost recovery by the VSA

[14] Pursuant to Section 22(b) of the *MDA*, costs incurred in investigating claims against the Fund must be paid from the Fund.

[15] The Board reviewed the VSA Investigation Cost Recovery Invoice for this claim - Invoice #18402-1. The Board approved the invoiced investigation costs in the amount of \$519.58 for recovery by the VSA from the Compensation Fund.

Reimbursement to the Fund by the motor dealer

[16] According to Section 24 of the *MDA*, if a claim is paid out of the Fund, the motor dealer who caused the claim must reimburse the Compensation Fund for the amount paid out of the Fund for the claim and for the investigation costs. The Registrar of Motor Dealers may cancel the dealer licence of the motor dealer who caused the claim if the Fund is not repaid.

[17] Since this claim is denied, the investigation costs will not be charged to Lucky 8 Auto.

Finality of decision

[18] Decisions of the Board cannot be appealed. According to Section 16(2) of the *MDA*, "A decision, order or ruling of the Board ... is final and conclusive and is not open to question or review in court except on a question of law or excess of jurisdiction".

[19] Reconsideration: According to Sections 16(2), 18.1 and 18.2 of the *MDA*, the Board may, at its discretion, reconsider its decision. The Board will consider a request for reconsideration from a party to a claim, provided that the request is made in writing and includes relevant evidence that was not previously considered by the Board and was not known or available to the party before the hearing. All parties to a claim will be notified if the Board decides to reconsider its decision. An application for reconsideration must be made in writing within 30 days of the decision.

[20] Judicial Review: The Board's decision may be challenged on a question of law or excess of jurisdiction in the BC Supreme Court pursuant to the *Judicial Review Procedure Act*. According to Section 57 of the *Administrative Tribunals Act*, an application for judicial review must be made within 60 days of the date the decision is issued. We suggest contacting a lawyer to obtain legal advice regarding this option.
